

## Give your state's youngest residents a healthy start with Go NAPSACC!

Go NAPSACC, a trusted tool in child care-based health promotion, is now available for states nationwide to purchase an annual membership. A Go NAPSACC membership will give child care programs and TA consultants in your state access to our high-quality, evidence-based tools. As a state partner, you will receive assistance in planning your outreach and support for child care programs. You will also gain access to valuable data from participating child care programs and TA consultants.

Membership Includes 1 year of unlimited access to:

### Go NAPSACC Online Tools for Child Care Providers

- Access for all child care providers in your state
- Self-assessments in 7 content areas: Breastfeeding & Infant Feeding, Child Nutrition, Farm to ECE, Physical Activity, Outdoor Play & Learning, Screen Time, and Oral Health
- Customizable action plans to help child care providers set and meet quality improvement goals
- Tips & materials resource library with classroom activities, tips for teachers, family engagement resources, and more
- Technical support for website users via our toll-free “help desk” line

### Support & Training for State Partners and Technical Assistance Consultants

- “Kick-off” call to assist in planning your state’s implementation of Go NAPSACC
- Live webinar training for TA consultants on our consultant tools and how to work with child care programs to support their Go NAPSACC participation
- Ongoing support for state partners, including regular check-in calls with a Go NAPSACC Education and Outreach Coordinator

### Administration & Reporting Services for State Partners

- Webinar training for state partners on reporting and monitoring tools
- One report showing detailed self-assessment scores from all participating child care providers and summaries to fulfill your funding requirements
- Unlimited on-demand reporting including real-time access to registration data, detailed self-assessment scores, and action planning data

Annual Membership Price for contracts starting in 2019: \$25,000
